CASTEL, U.S.D.J.

The Court held a telephone conference with parties on January 6, 2020 to address the discovery dispute raised in plaintiff's letter of January 2, 2020. (Doc. 52).

- (1) The parties agree that an evidentiary hearing is not required to decide the motion for a preliminary injunction, which therefore will be decided on written submissions and oral argument alone.
- (2) The scheduled depositions may proceed with no restrictions placed on plaintiff's ability to question witnesses regarding the issues raised in plaintiff's January 2 letter. (Doc. 52).
- (3) The Court denies, without prejudice, plaintiff's application to compel the production of defendant's bank records. (Doc. 52). By January 9, 2020, defendant shall set forth in a declaration a proposed schedule for a review of the requested bank records to ensure that production of such records complies with foreign data privacy laws.
